

I listen to K-Love at work in Spokane WA. My friends and relatives all listen to the same station across the country. It is wonderful to listen to an unoffensive station that plays the music we love.

The testimonies speak for themselves how lives can be changed by an encouraging Christian Word. It is very important to many of us that we be able to access this music on-line.

If you have any questions, please contact me at the address given.

Thank you,

Tami J. Brennan
